## HEAR FROM OUR CUSTOMERS

### RECRUITING AND EMPLOYMENT

“TransForce’s drivers are better and more ready to work compared to drivers from other agencies. I have confidence that the drivers they send will have few problems, and we won’t need to send them home.”

– GENERAL MANAGER, Oldcastle

### SAFETY AND COMPLIANCE

“We have had great results using SafetyServe’s program. We have several customers that say they’ve had half a dozen near misses and that if they hadn’t completed SafetyServe’s program, they would have responded incorrectly and an accident may have occurred.”

– VP, Axa XL

## MISSION

Our mission is to set the highest standard for integrated workforce solutions in the transportation and logistics industry, driving the success of our employees, drivers, and motor carriers.

## VISION

We strive to be the leading choice of commercial drivers and motor carriers for workforce solutions in the transportation industry.

## VALUES

We believe these are the keys to creating a safe, respectful, and inclusive work environment:

### We Are Safe.

We are relentlessly committed to the safety of our employees, drivers, partners, and traveling public by prioritizing the safety and wellbeing of everyone we work with.

### We Are Respectful.

We believe dignity and respect are the cornerstones of long-lasting relationships, and we embrace diversity and trust as central principles of our corporate culture.

### We Develop Our People.

We empower our employees by fostering an environment of continuous learning and professional development opportunities.

### We are Accountable.

We make plans and take personal ownership and responsibility to deliver on our commitments.

### We Take Action.

We recognize that our success depends on our ability to understand and exceed the needs of our customers and employees with a sense of urgency and professionalism.

### We Strive for Excellence.

We hold ourselves to the highest standards by always demonstrating irreproachable ethics, integrity, and personal accountability.

Through our family of brands, we deliver the services that drivers and motor carriers need every step of the way.
