Placing Qualified Drivers and Mechanics in the Right Positions.

From hiring to onboarding, we have you covered. We pride ourselves in being a leading logistics and transportation workforce solutions company, providing quality professionals for companies throughout North America. Here's how.

Our national branch network provides personalized service to drivers and local transportation teams, matching your business with qualified drivers from the nation's most talented driver pool.

TransForce, Inc.

The premier and founding brand in the TransForce Group — offers best-in-class workforce solutions and employment of CDL and non-CDL drivers for long and short-term assignments with motor carriers.

KAS Staffing

Backed by the power of TransForce US, KAS Staffing provides specialized recruiting, MOT compliance services, and workforce solutions to the logistics and commercial transportation industries in Canada.

Drive360

One of TransForce, Inc.'s premier services, Drive 360 offers highly specialized, direct-hire services focused on sourcing and recruiting the most qualified diesel mechanics and technicians.

Hear from our President

“Driver safety is more than good processes. It's how we connect, train and support our drivers every day.”

– Joe Dolan, Division President,
Employment Solutions for TransForce Group

Employment Solutions in Action

Motor carriers fulfill their need for professional drivers through TransForce Group's employment solutions.

Employment Steps:

1. Customers seek TransForce, Inc. employment solutions to fill needs for dedicated or short-term-assignment drivers.

2. TransForce, Inc. and customer agree on any additional driver qualification requirements supplemental to TransForce, Inc.'s already-established, industry-high standards.

3. TransForce, Inc. presents ready, qualified candidates with DOT and customer requirements for approval and start-date.

4. Qualified driver reports to work, with on-going success support by local TransForce, Inc. representatives.

Our Capabilities

Dedicated Driver Workforce Management

We customize programs to fit all of your business needs. From implementing best practice frameworks to ensure your strategic plans are in line with your goals, to safety and compliance site visits and a measurement system that ensures the improved productivity of our drivers, we give you the tools that will allow you to focus on the core of your business.

Direct Hire Services

Quality is at the center of everything we do. We source and recruit the best diesel mechanics and technicians the market has to offer.

Specialized Staffing Services

We understand that not every business has the same staffing needs, so we work with your business to offer the best Short Term Flex Drivers (less than 80 hours a month), Long Term Flex Drivers (90+ day assignments) and Temp-to-Permanent Drivers. No matter what you're looking for, we have the high quality, certified driver for you.

KAS Staffing

We provide specialized recruiting, MOT compliance services, and workforce solutions to the logistics and commercial transportation industries. Backed by the power of TransForce US, KAS Staffing provides the industry's safest, most qualified transportation professionals to private fleets, third party logistics firms, and trucking companies in Canada.
